YOUTH NEWS – CSM - "The mission trip we went on was an eye opening experience because it showed me what life was like in the city. It also showed us what people from the shelter go through on a day to day basis. We learned a lot from giving out meals to the homeless. We also cleaned out a housing unit for the homeless." This is what Tom had to say about his experience with the Center for Student Mission trip that he attended last year. If you would like to support this year's trip for the 7-8 class you can drop a donation into the red and white CSM box or bring socks and travel size hygiene items for the homeless until February 19.

CONTRIBUTION STATEMENTS – Your 4th quarter statements are in your church mailbox. Please review these as soon as possible and advise either Mary Rinda or Donna Williams of any discrepancies. Your year-end statements will be available next month.
